\* Our buns are baked in facilities that handle sesame seeds, exposing them to possible cross-contamination. Culver's ground beef does not contain gluten or wheat; however it is cooked on a grill with breads.

\*\* There is potential cross-contact to fish, shellfish, wheat, gluten, soy, egg, and dairy in the fryer.

\* Our buns are baked in facilities that handle sesame seeds, exposing them to possible cross-contamination. Culver's ground beef does not contain gluten or wheat; however it is cooked on a grill with breads.

\*\* There is potential cross-contact to fish, shellfish, wheat, gluten, soy, egg, and dairy in the fryer.

# Mindful Choices Around Gluten

The menu items listed below do not contain sources of gluten based on ingredient information from our suppliers and their voluntary stated absence of gluten. Because Culver's® restaurants are not gluten-free environments, we are unable to guarantee any menu items, including those listed below, are completely free of gluten. Cross-contact may occur during preparation and cooking procedures. Please inform the manager or cashier if you have a gluten sensitivity or intolerance when ordering.

★ *This item is cooked on a grill that may come into contact with other items that contain gluten.*

\* As part of our commitment to our guests, our allergen guides are based on product information provided by Culver's® approved suppliers. Every effort is made to keep this information current; however, it is possible that ingredient changes and substitutions may occur. We recommend that our guests with allergies and sensitivities consult their medical professional and speak to a Culver's® restaurant manager before placing an order to ensure the posted information is accurate and represents the menu items sold at that specific restaurant. Test products, limited time offerings and optional menu items have not been included in this brochure. Culver's® restaurants are busy and cross-contact may occur between ingredients and between different menu items, including allergens. Culver Franchising System, Inc., its franchisees and employees do not assume responsibility for a particular sensitivity or allergy to any food provided in the restaurants.

Sure, we're famous for ButterBurgers® and Fresh Frozen Custard—they're the Culver family favorites that started it all in 1984. Look a little closer and you'll see our menu is just as accommodating as our signature hospitality, with satisfying salads, Wisconsin supper-club style dinners and a variety of sandwiches and side dishes to fit your appetite and lifestyle. Enjoy!

Culver's® nutritional information is based on representative values from manufacturers, USDA, and other established databases and lab testing. Recipes are from Culver Franchising System, Inc. Some menu items may not be available at all restaurants. In addition, test products, test formulations or regional items have not been included in this brochure. While ingredient information in this brochure is based on standard product formulations, variation may occur due to differences in suppliers, ingredient substitutions, changes in recipe, product assembly at the restaurant level, the region of the country and the season of the year. Serving sizes may vary from the quantity upon which the analysis was conducted. Serving size designation for beverages refers to the total cup capacity, without added ice. The actual fill may be slightly less. The nutritional information in this brochure presumes that the operator of the restaurant, most of which are franchised, is complying with preparation, ingredient, supply and proportioning requirements. None of Culver's menu items are certified as vegetarian; all menu items may contain trace amounts of ingredients derived from animals. If you would like further information on our menu items, or have food allergies, sensitivities or special dietary needs, please go to [www.culvers.com](http://www.culvers.com). The listings at [www.culvers.com](http://www.culvers.com) are periodically updated in an effort to reflect the current status of our menu items and may vary from printed materials.
