

CHEESE CURD COSTUME KIT

Here's how to create your costume:

- 1 Using a large sheet of cloth (or paper), cut out the front and back of your Cheese Curd bag as shown on the next page.
- 2 Use the same material to cut out two shoulder straps as well!
- 3 Lay the back of the bag on top of the front of the bag, then fold over the excess on the two sides to create seams.
- 4 Secure the sides—hot glue should work well. Don't forget to add a Culver's logo to your bag!
- 5 Cut slits for the two shoulder straps, then attach the straps to the inside of your bag. (Think of it like a pair of overalls.)
- 6 When it's time to put it on, fill your bag with golden balloons. Tape should work to keep them in place.
- 7 Say, "Cheese Curds!"
